

When and where will summer school tour take place?

- June 24st, 2019 – July 1st, 2019 (Please note: departure from the Americas a day earlier)
- Based in Nuertingen, Germany: within the Metropolitan area of Stuttgart, the capital of the Federal State of Baden-Wuerttemberg, one of the strongest economic regions in Europe

What is the content of the course?

- The course is an introductory course to Equine Science with a focus on Equine Business in Germany. The program consists of an interesting and valuable mix of in house lectures and practical sessions, complemented by visits to international companies and associations in Germany's prosperous South-West. All lectures and company visits are in English.
- The lecture contents are:
 - ⇒ German Horse Industry
 - ⇒ International Horse Industry
 - ⇒ International Equine Markets
 - ⇒ Horse Breeding and Horse Keeping
 - ⇒ Horse Behavior
 - ⇒ Horse Feeding
 - ⇒ Production and Sales Activities of Horse-Feed
 - ⇒ Training of Horse and Rider
- Lecture notes will be posted additional to the lectures.

Who are the instructors?

- HfWU Professors Prof. Dr. Dirk Winter; Prof Dr. Konstanze Krueger and different lectures
- Company representatives

Executive Project Manager: Prof. Dr. Iris Ramme, iris.ramme@hfwu.de
Senior Project Manager: Michèle Renyé, michele.renyé@hfwu.de
Professoren/Lecturers: Prof. Dr. Dirk Winter, dirk.winter@hfwu.de
Prof. Dr. Konstanze Krüger, Konstanze.krueger@hfwu

What is the teaching format like?

The students will have class – room lectures on the above mentioned topics due to the schedule provided and also field trip lessons

What is the assessment?

- In groups they have to work out a project with the topic “Impressions of the Horse Industry – Consensus and distinctions” (written paper and oral presentation)

Attendance

Attendance is mandatory and is part of the grade. Active participation is required.

How is the grading?

Attendance	fail if more than one lecture is skipped
Group work sessions	fail if incomplete or not delivered on time
Project Presentation (written and oral)	100%

The final grade will be expressed in percentages with 40% being the minimum for a pass and 100 % for the highest grade. Grade transfer into the home institution’s system is recommended.

When are the assignments due?

- The written project presentation and a power-point presentation are due at the oral presentation
