HfWU
Nuertingen-Geislingen University
Addendum for the Master Degree Program in
Sustainable Mobilities (M.Sc.)

Date: 13 February 2019

Based on section 8 (6) in conjunction with section 30 (1) and section 32 (6) of the State Higher Education Act in Baden-Wuerttemberg ("Landeshochschulgesetz" - LHG) dated 01 April 2014 (Law Gazette 2014, p. 99 et.seqq.) the senate of Hochschule für Wirtschaft und Umwelt Nürtingen-Geislingen agreed the following course and exam regulations on 24 January 2019 for the Master's Program in Sustainable Mobilities.

1.2 Individual regulations

1.1 Structure of the program and admission requirements

The master degree program in Sustainable Mobilities comprises four semesters.

Admission requirements are governed by the statutes of admission.

Courses and examinations will be held in English.

The master thesis may be written in English or German.

1.3 Module examinations

Module examinations must be taken as listed in the table in section 2. Special examination dates for students who have to make up or re-sit an examination may also be set outside of the regular examination dates. In this the case, the examination dates will be announced by the examinations board.

A module examination may only be re-sat as a whole. It is not possible to re-sit only parts of an examination.

1.4 Elective modules

As a rule, elective modules are offered once a year (cf. table 2).
